1. Can we provide SOC services from a central/global SOC instead of having a SOC physically located in the Maldives?
  - A. Kindly refer to Section 6, Clause 2.4 of the Bid Book.
2. Can we meet the local capacity requirement by providing a hybrid model with some local engineers and support from a central SOC?
  - A. Please refer to Section 6, Clause 2.4 of the Bid Book.
3. Can you amend the requirement so that only local team members need Maldives Police Service background clearance?
  - A. Please refer to Section 6, Clause 2.4, Point 4 of the Bid Book.
4. Out of the total 100 endpoints, how many are servers and how many are workstations?
  - A. 85 workstations and 15 servers
5. Can we deliver the required training either online or physically, depending on feasibility?
  - A. As stated in the information sheet, we require physical, in-person training for our IT team.
