1. For the dustbins – Screen printing of the logo is not available, hence can only make a Sticker and stick on it. Will this be ok?

Ans: Stickers are acceptable, as mentioned in the Information Sheet.

2. Also, we need to know the sticker Size. Please Advise as soon as possible.

Ans: The sticker should have a diameter of 20cm.

3. For the Barricades, you have requested us for 25 Nos, but the MOQ is Minimum 100 Nos, Will you be able to accept 100 Nos or would you be able to accept a different design barricade?

Ans: The Information Sheet specifies 25 pieces. We will not accept any other designs.

4. Should the logo also be in the barricades?

Ans: No

5. What should be included in the specifications?

Ans: To ensure compliance with the minimum specifications defined under this bid, bidders must submit the technical specifications of the barricades being offered. The information provided must cover all specification fields as outlined in the information sheet.
