

	<i>Safety switches on input and output block machine operation during maintenance</i>
	<i>Rotor lock to physically block rotor rotation during blade changes and inspections</i>
	<i>Meets applicable forestry machine safety standards</i>
	<i>Clear safety signage and operator warnings</i>
<b>Control &amp; Operation</b>	<i>Throttle lever (high / low speed), ON/OFF switch, rotor lock</i>
	<i>Dual output mode selection; no tools required to switch between high and low output</i>
<b>Maintenance</b>	<i>Reversible blades: flip to second cutting edge when one side is worn — doubles blade service life</i>
	<i>Durable blade capable of several sharpening sessions; standardised to ensure easy replaceability</i>
	<i>Low-maintenance rotor system; accessible for cleaning and inspection</i>
<b>Warranty &amp; Support</b>	<i>Minimum 1 year manufacturer warranty on machine</i>
	<i>Service and Parts Manual supplied in English; Safety Manual supplied in English; Instruction Manual supplied in English</i>
	<i>Standardised, commercially available spare parts (blades, bearings, screens)</i>

Included Components	
1	Wood Chipper with integrated petrol engine
2	Drum/rotor chipping system (rotor with 2 blades + 1 counter blade pre-installed)
3	High output chute with infinitely adjustable deflector (up to 85°)
4	Low output chute for composting / high-moisture material processing
5	Control panel / operator controls (throttle lever, ON/OFF switch, rotor lock)
6	Emergency stop bracket (panic bar) and safety switch system
7	Towable frame

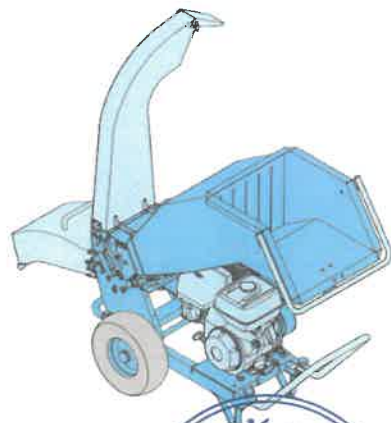

Additional Spare/Toolkit to be delivered with the Equipment		
1	2 sets	Spare blade set (2 blades per set; high-alloy steel, reversible)
2	1 No.	Spare counter blade
3	3 Nos.	Spark plug (for engine)
4	1 Set	Engine service and maintenance kit (filters, oil, belts — per OEM specification)
5	1 Set	Blade installation hardware kit (bolts, thread-locking compound)
6	1 Set	Necessary tool kit
7	1	Service and Parts Manual in English
8	1	Safety Manual in English
9	1	Instruction Manual In English
