1. Would you be able to clarify the duration of assignment?

- The duration of the assignment should be proposed by the bidding parties in accordance with Section 8.1 of the Terms of Reference (TOR). Marks will be assigned based on the proposed duration.

2. It is mentioned that experts are would have to be full time onsite. Would you be able to clarify if this is flexible?

- It is not mandatory for the whole team to be present throughout the entire consultancy. Background research, writing and compilation could be carried out offsite. However, when the field work is being carried and for deliverables such as waste audit, willingness to pay survey and stakeholder consultations key members of the team need to be present on site.

3. Is there an option for extension of this TOR?

- At this time, there is no plan for an extension of the TOR. However, if there is limited support for the bid, we may consider extending the bid submission deadline
